Stock Name	Cost	Latest Price	Resistance	Support	Trend	Recommendation	Important Note
MU	424.6235	864.01	1089.29	820.30	Bearish	Sell	MU has experienced a sharp short-term correction down to 864.01. However, this remains significantly above your entry cost of 424.6235. Selling to lock in substantial profits is highly recommended before the corrective trend worsens.
NVDA	220.7975	205.10	232.01	204.33	Bearish	Buy	NVDA has pulled back below your entry cost of 220.7975 and is currently testing its primary near-term support level of 204.33. This offers a viable technical opportunity to average down, provided this support level holds.
ORCL	183.7172	213.68	250.25	209.45	Bearish	Hold	ORCL has retraced from its 250.25 high but is still comfortably above your entry cost of 183.7172. Recommend holding to see if the stock can stabilize and form a base near the 209.45 key support level.
SNDK	1418.1652	1559.32	1861.00	1514.36	Bearish	Hold	The stock has corrected sharply from its recent peak of 1861.00. However, it remains above your entry cost of 1418.1652. Hold and monitor the vital support line at 1514.36.

Stock Name	Cost	Latest Price	Resistance	Support	Trend	Recommendation	Important Note
MSFT	455.3717	416.67	466.32	409.58	Bearish	Buy	MSFT has broken significantly below your entry cost of 455.3717. With the price now approaching major horizontal support near 409.58, this is a technically sound level to average down your position.
VST	150.2069	148.76	167.40	147.50	Bearish	Buy	VST is trading slightly below your cost of 150.2069 while testing the daily support level of 147.50. Buying here to average down is recommended as long as the 147.50 level is not breached on a closing basis.
TSM	424.302	415.17	450.16	412.79	Bearish	Buy	TSM has dropped below your entry cost of 424.302. This sharp pullback has brought the stock down to immediate support at 412.79, presenting an attractive entry point to average down.
LLY	971.1165	1131.42	1166.29	1052.15	Bullish	Hold	LLY continues its robust bullish trend, closing near high sessions and sitting far above your cost of 971.1165. Hold to let profits run with a trailing stop-loss below the 1052.15 support zone.

Stock Name	Cost	Latest Price	Resistance	Support	Trend	Recommendation	Important Note
LRCX	305.4055	303.28	346.19	302.74	Bearish	Hold	LRCX has experienced a sharp sell-off to 303.28, just below your cost of 305.4055. It is resting directly on critical support of 302.74. Hold to see if this floor holds; a clear breakdown below 302.74 would trigger defensive action.
NOW	107.676	112.45	139.20	111.56	Bearish	Hold	NOW is retracing toward your entry cost of 107.676. Support at 111.56 is currently being tested. Recommend holding to monitor if the stock can stabilize before dipping below your entry level.
AMD	448.3669	466.38	546.44	463.95	Bearish	Hold	AMD has seen a heavy pullback but is still holding above your entry cost of 448.3669. Hold and monitor the crucial support floor at 463.95 to ensure the longer-term structural trend does not break down.
CACI	524.5251	531.41	545.29	525.94	Bullish	Hold	CACI is exhibiting relative technical strength, consolidating in a constructive flag pattern just above your entry cost of 524.5251. Recommend holding as it tests near-term resistance at 545.29.
