Generated automatically on 2026-09-01 16:18:26 (Thailand Time) | Macro Regime: Bullish

Ticker	Cost	Price	Support	Resist.	OBV	MACD	Trend	Rec.	Important Note (THB Context)
BH	190.69	193.00	185.82	207.00	Rising	Bearish Territory	Sideways	Hold	Position is profitable, but despite Rising OBV, MACD remains in Bearish Territory with an R/R of 1:1.95. Recommend holding current position without adding capital.
GULF	67.25	62.50	60.15	64.31	Falling	Bearish Territory	Bearish	Hold	Unprofitable position with Falling OBV and Bearish Territory MACD paired with poor 1:0.77 R/R; holding above 1Mo Support of 60.15 THB for recovery.
SCC	260.44	261.00	256.25	265.00	Rising	Bullish Territory	Bullish	Hold (Accumulate)	Profitable position supported by Rising OBV volume and Bullish Territory MACD at a High-Conviction Bounce structural level; accumulate near support.
TU	13.28	12.80	11.90	13.50	Falling	Bearish Territory	Bearish	Hold	Unprofitable position held above 1Mo Support (11.90 THB); weak Falling OBV and Bearish Territory MACD alongside 1:0.78 R/R justify waiting for recovery.
AOT	-	63.00	55.75	64.19	Rising	Bearish Territory	Sideways	Hold	Watchlist asset exhibits Rising OBV but unfavorable 1:0.16 R/R near resistance and MACD in Bearish Territory; remain on sideline.
BCP	-	57.25	45.89	57.50	Rising	Bullish Territory	Bullish	Hold	Watchlist stock shows strong Bullish Territory MACD and Rising OBV, but tests resistance at 57.50 THB with an unfavorable 1:0.02 R/R; await breakout confirmation.
BDMS	20.01	19.80	19.77	20.20	Rising	Bearish Territory	Sideways	Hold	Position is unprofitable near support; despite Rising OBV and High-Conviction Bounce setup, MACD in Bearish Territory signals caution?hold position.
KTB	44.54	43.25	42.13	43.85	Falling	Bearish Territory	Bearish	Hold	Unprofitable holding above 42.13 THB support; Falling OBV and Bearish Territory MACD with 1:0.54 R/R warrant holding for bounce without committing new risk.
PTT	41.54	41.50	39.05	41.75	Rising	Bullish Crossover	Bullish	Hold	Unprofitable position showing constructive Rising OBV and fresh Bullish Crossover MACD; holding near resistance (41.75 THB) with 1:0.10 R/R.
TRUE	14.09	13.10	12.20	13.87	Rising	Bearish Territory	Sideways	Hold	Unprofitable holding supported by 12.20 THB floor; Rising OBV is counterbalanced by Bearish Territory MACD and 1:0.85 R/R?maintain stance.

Generated automatically on 2026-09-01 16:18:26 (Thailand Time) | Macro Regime: Bullish

Ticker	Cost	Price	Support	Resist.	OBV	MACD	Trend	Rec.	Important Note (THB Context)
WHA	4.89	4.78	4.74	4.95	Falling	Bullish Territory	Sideways	Hold	Unprofitable position resting at High-Conviction Bounce support with Bullish Territory MACD, though Falling OBV limits aggressive expansion.
GPSC	-	51.25	50.19	53.74	Rising	Bullish Territory	Bullish	Buy	Watchlist entry justified by Rising OBV volume confirmation, robust Bullish Territory MACD, and a High-Conviction Bounce R/R ratio near support.
ADVANC	-	353.00	349.00	376.00	Falling	Bearish Territory	Bearish	Hold	Watchlist asset lacks momentum with Falling OBV and Bearish Territory MACD despite High-Conviction Bounce R/R; remain neutral.
SCB	-	151.50	136.50	153.12	Falling	Bearish Territory	Bearish	Hold	Watchlist entry unfulfilled due to Falling OBV, Bearish Territory MACD, and poor 1:0.11 R/R ratio near resistance.
OR	12.65	12.70	12.44	13.20	Rising	Bullish Territory	Bullish	Hold (Accumulate)	Profitable position near support; Rising OBV and Bullish Territory MACD combined with High-Conviction Bounce R/R justify accumulating into strength.
IVL	22.34	25.25	22.12	25.75	Rising	Bullish Territory	Bullish	Hold	Profitable held position testing resistance at 25.75 THB; despite poor 1:0.16 R/R, intact momentum via Rising OBV and Bullish Territory MACD justifies holding gains.
KBANK	-	248.00	230.00	259.00	Rising	Bearish Territory	Sideways	Hold	Watchlist stock shows Rising OBV but is constrained by Bearish Territory MACD and 1:0.61 R/R ratio; await clearer entry signal.
